SIG SAUER CUSTOM SHOP FIREARMS SERVICES

SERVICE	MODELS	DESCRIPTION	PRICE
SERVICE PACKAGES:			
FULL SERVICE PACKAGE (FSP)	P, SP & 1911	Detailed stripping and complete and thorough cleaning of the entire pistol. Professional safety inspection of critical components by factory certified personnel. Replacement of springs prone to wear (trigger bar spring, slide catch lever spring, recoil spring) and any needed small parts. Then lubrication to factory standards, reassembly and function testing. (Not available for Mosquito models).	\$ 79.95
SIG SERVICE PACKAGE (SSP)	P, SP & 1911	Detailed stripping and complete and thorough ultrasonic cleaning of the entire pistol. Professional safety inspection of critical components by factory certified personnel. Replacement of springs prone to wear (trigger bar spring, slide catch lever spring, recoil spring) and any needed small parts. Then lubrication to factory standards, reassembly and function testing. ALSO INCLUDES THE FACTORY INSTALLATION OF SIGLITE NIGHT SIGHTS. (Not available for Mosquito, P230/232 models).	\$ 139.95
ACTION SERVICES:			
ACTION ENHANCEMENT PACKAGE (AEP)	P	Our factory gunsmiths hone and polish critical surfaces to lighten and smooth both the double-action and single-action trigger pulls taking your SIG SAUER to the next level without voiding the factory warranty. (Excludes SP2009, SP2340, SP2022, 226X5, Mosquito, P238 and P250 models. Improvements are not as pronounced in our DAK trigger system models or P232 models.)	\$ 169.95
SIG SHORT RESET TRIGGER (SRT)	P	Retrofit your P220, P225, P226, P226X5-AR, P228, P229, P239 and P245 with the new SIG SAUER Short Reset™ (SRT) sear and safety lever parts. The SRT reduces the trigger reset travel by about 60%. The SRT upgrade is perfect for both competition and combat shooters who want to reduce their follow up shot times. Price includes parts and labor. Original parts returned with your firearm.	\$ 99.95
DAK CONVERSION	P	Convert your DA/SA SIG Sauer P220, P226, P229, or P239 to the DAK (Double Action Kellerman) trigger system. Applicable to late model frames only (2005+). Price includes parts and labor. Original parts returned with your firearm.	\$ 199.95
DA/SA CONVERSION	P	Convert your DAK, DAO or SAO SIG Sauer P220, P226, P229, or P239 to the DA/SA trigger system. Price includes parts and labor. Original parts returned with your firearm.	\$ 199.95
1911 TRIGGER ENHANCEMENT	1911	Get that tuned trigger performance from your 1911 without voiding the factory warranty. Our master factory gunsmiths will hone and polish critical surfaces to reduce and smooth the trigger pull to not less than 4 lbs. in your SIG SAUER 1911.	\$ 129.95
SIGHT SERVICES:			
NIGHT SIGHT PACKAGE (SIGLITE)	P & SP	Upgrade or replace your current sights with factory installed SIGLITE® front and rear night sights. (excludes P232/P230, 1911 and Mosquito.)	\$ 119.95
FRONT SIGHT PACKAGE (TRU-GLO)	P & SP	Replace your front sight with the same TRU-GLO Tritium Fiber Optic (TFO) front sight we use for the Equinox™ pistol series. This popular sight gives you outstanding performance in any lighting situation. (excludes P232/P230, P250, 1911)	\$ 79.95
1911 NIGHT SIGHT PACKAGE	1911	Upgrade or replace your current 1911 sights with factory installed combat night sights (3 Dot).	\$ 119.95
1911 3-DOT SIGHT PACKAGE	1911	Upgrade or replace your current 1911 sights with factory installed sight set (3 Dot-white).	\$ 74.95
1911 ADJUSTABLE REAR NIGHT SIGHT	1911	Upgrade or replace your current 1911 rear sight with factory installed adjustable combat rear night sight.	\$ 74.95
FINISH SERVICES:			
NITRON FINISH FOR STAINLESS SLIDES or BLUING FOR CARBON STEEL SLIDES	P, SP & 1911	Refinish your stainless steel slide with our Nitron finish or re-blue your carbon steel slide. (WE DO NOT REFINISH FRAMES.)	\$ 99.95
NITRON FINISH (BARREL ONLY)	P, SP & 1911	Upgrade the finish on your SIG barrel with our durable black Nitron® finish. (excludes P232/P230)	\$ 39.95

NATURAL STAINLESS GLASS BEAD FINISH (SLIDE AND/OR FRAME)	P, SP & 1911	Bring your stainless steel slide and/or stainless frame back to a factory fresh look with our glass bead finish. If you have a stainless slide with the Nitron finish on it, we can bead blast it off to create the two-tone look. Also good for eliminating unsightly scratches and holster wear on stainless frames and/or slides. DO NOT ORDER THIS IF YOU HAVE A CARBON STEEL SLIDE OR A HARD ANODIZED ALUMINUM ALLOY FRAME.	\$59.95 for one or \$109.95 for both.
CUSTOM SERVICES:			
556 QUAD RAIL INSTALLATION	556 & 522	Install the aluminum quad rail forearm on your 556 or 552.	\$ 299.95
BARREL RE-CROWN	P & SP	Maximize accuracy and improve the appearance by removing minor nicks and abrasions with an 11-degree target crown on your barrel.	\$ 39.95
FEED RAMP POLISH	P, SP & 1911	Upgrade your pistols performance in feeding with our custom feed ramp polishing.	\$ 29.95
REDUCED-REACH OR STANDARD TRIGGER INSTALLATION	P & SP	SIG SAUER pistols have shipped with a 'standard' trigger and more recently with a 'reduced-reach or short' trigger. You can fit the pistol to your hand with either a reduced-reach short trigger if you have the standard trigger and it is hard to reach the trigger or a standard trigger if you have the reduced-reach short trigger and it feels too close for your trigger finger. (Excludes P232/P230 and SAO models.)	\$ 34.95
MAGAZINE CATCH REVERSAL (MCR)	P & SP	Whether you are a lefty or a competitive shooter, the magazine catch on your SIG can be reversed to fit your needs. (does not apply to P225, P245, P238 or 1911 models)	\$ 59.95
PISTOL BARREL REPLACEMENT (PBR)	P, SP & 1911	Have our gunsmiths replace your worn or damaged pistol barrel with a factory new SiG Sauer barrel. This service is available for all pistols except the Mosquito. Price includes parts & labor. It is \$279.95 for the P230/232 models.	\$ 239.95
NICKEL CONTROLS	P	Accent your P220, P226, P229 or P239 pistol with Nickel controls (slide catch, decocking lever, mag catch, takedown lever, hammer and trigger).	\$ 199.95
1911 MAGWELL UPGRADE	1911	Get faster reloads with a factory installed magwell for your 1911. Black & Stainless available.	\$ 74.95
1911 CHECKERED MAIN SPRING HOUSING	1911	Improve your grip with a factory installed checkered main spring housing for your 1911. Available in Black & Stainless w/lanyard attachment.	\$ 74.95
1911 AMBI SAFETY UPGRADE	1911	Get the versatility of either strong or weak hand control with a factory installed ambidextrous safety. Available in Stainless only.	\$ 74.95
ENHANCED ERGONOMIC (E2) GRIP INSTALLATION	P	Installation of the new slimmer Enhanced Ergonomic (E2) grip on your P226 or P229. Includes installing the one-piece grip, along with a new decocking lever, hammer strut and mainspring seat to make room for it. It will not work on DAK or X5 models.	\$ 99.95
SHIPPING:			
PISTOL OR RIFLE	All	Return shipping and handling and insurance of your firearm to you via FEDEX after we work on it.	\$ 28.95
SLIDES & ADDITIONAL FIREARMS	All	Return shipping to you via FEDEX for slides or each additional firearm in the same shipment.	\$ 14.95
VIP ROUNDTRIP SHIPPING	All	Roundtrip shipping for your firearm to us and back to you. We email you a UPS Next Day Air label to use to send it in and it also covers the shipping and handling and insurance on the shipping back to you via FEDEX 2nd Day Air Adult Signature Required. This is generally the most economical way for you to send the firearm to us.	\$ 55.00
