DQM-7 RIFLESCOPE

INSTRUCTIONS

Mounting on firearm:

To mount on M1913/Weaver accessory rail:

- Loosen locking bolts on rings using coin or screwdriver
- Mount on rail, making sure you rotate scope tube so that vertical and horizontal cross hairs are level to the rifle. Adjust position of the scope forward or backward on rifle for proper eye relief. Secure by tightening locking bolts on rings.

Getting Started:

Focus & Magnification:

- With scope positioned within 3 to 4 inches from your eye to the eyepiece lens, turn focus adjustment ring until the reticle is in focus.
- Adjust magnification by turning the magnification ring to the desired setting, from 1.75 to 5.
- Adjust windage and elevation by removing turret covers and turning the handwheel –
- For elevation: counterclockwise: move impact up – clockwise: move impact down.
- For windage: counterclockwise: move impact right – clockwise: move impact left. 1 click 1/2" @ 100 yds. Secure covers once set.

STATEMENT OF LIABILITY

This device is classified as a FIREARMS ACCESSORY and is sold by us with the specific understanding that we are not responsible in any manner whatsoever for its safe handling or resale under local laws and regulations. SIG SAUER Inc. shall not be responsible in any manner whatsoever for malfunctioning of the firearm, for physical injury or for property damage resulting in whole or in part from (1) criminal or negligent discharge, (2) improper or careless handling, (3) unauthorized modifications, (4) defective, improper, hand-loaded, or reloaded ammunition, (5) corrosion, (6) neglect, or (7) other influences beyond our direct and immediate control. This limitation applies regardless of whether liability is asserted on the basis of contract, negligence or strict liability (including any failure to warn). Under no circumstances shall SIG SAUER Inc. be liable for incidental or consequential damages, such as loss of use of property, commercial loss and loss of earnings or profits.

SIG SAUER® LIMITED ONE YEAR WARRANTY

SIG SAUER® warrants that the enclosed accessory was originally manufactured free of defects in material, workmanship and mechanical function, and agrees to correct these defects by repair, adjustment or replacement, at the option of SIG SAUER, with items of the same or comparable quality; provided, however, that the accessory is returned freight prepaid to SIG SAUER at 18 Industrial Drive, Exeter, NH 03833 by the original purchaser within one year of the date of purchase.

This limited warranty is null and void if the accessory has been misused, damaged (by accident or otherwise), or if unauthorized repair or any alteration, including of a cosmetic nature, has been performed on the accessory. This limited warranty does not apply to normal wear and tear of any parts.

Subject to the foregoing, this limited warranty confers the right to have the covered accessory or its parts repaired, adjusted or replaced exclusively by the original purchaser, which right is not transferable to any other person. NO IMPLIED WARRANTIES OF ANY KIND, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE MADE HEREIN, and this warranty does not apply to any accessory items attached or appurtenant to this accessory. In no event shall SIG SAUER be liable for incidental or consequential damages arising from or in connection with this limited warranty.
