

**If you own a P250 Compact in 9mm, .40S&W or .357SIG, please take note:**

The grip module design has changed so it is aligned with the rest of the P250 product family. The accessory rail has changed from a curved design to a flat M1913 Picatinny rail.

**Important - HOLSTER Item Number HOL-RPR-250C-9-BLK (8500009)**

**will ONLY fit the original style grip with curved accessory rail**

Please note the accessory rail difference so you are sure to select the correct holster.
