

SIG SAUER SAFETY BULLETIN

DO NOT BUY OR USE UNFINISHED P320 SLIDES

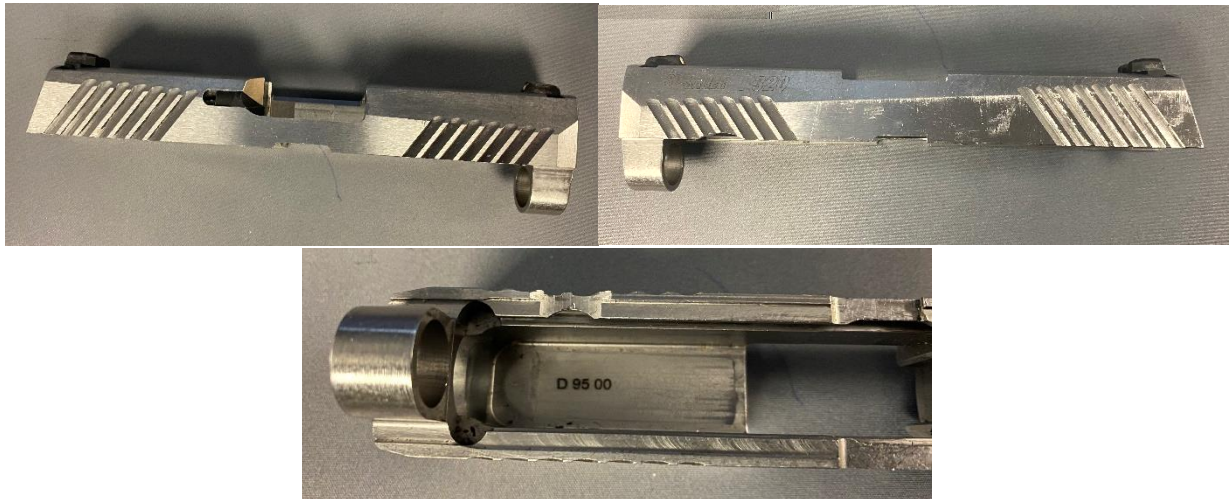

SIG SAUER, Inc. has learned that a number of **unfinished P320 slides** meant for disposal due to imperfections have instead been sold by one of its parts suppliers, making their way to various secondhand gun parts websites.

These slides **DO NOT** meet SIG SAUER, Inc.'s standards or specifications for quality or precision and **SHOULD NOT BE ASSEMBLED INTO A COMPLETE FIREARM OR USED FOR ANY OTHER PURPOSE. USE OF THESE SLIDES IN A FIREARM OR FOR THEIR INTENDED PURPOSE COULD RESULT IN SERIOUS INJURY OR DEATH.**

These slides may be identified by the following characteristics:

- Unfinished condition – white/silver, uncoated appearance.
- Sharp, unfinished edges along slide rails and slide serrations; and
- May be stamped on the inside with marking “D 95 00”

Images of these characteristics are below for your reference:

This Bulletin only applies to **unfinished** slides exhibiting the characteristics mentioned above. Finished slides are not affected by this Bulletin.

SIG SAUER, Inc. asks that anyone who might have purchased, or seen a listing for, these items contact SIG SAUER Customer Service at (603)610-3000, Option 1 or eMail customerservice@sigsauer.com and provide details on where they have seen these items offered for sale.
