Using our objective and performance-based training methods we can help develop and expand the abilities of virtually any level of firearms user.

Our expert staff of instructors have the unique ability and experience that allows them to train all types of firearms users, from beginners to experts, from civilians to elite military, and law enforcement agencies. The SIG SAUER Academy is committed to delivering the best, most realistic, fundamentally sound training experience possible. We'll make you a better shooter. Guaranteed.

For course descriptions, schedules, and more, visit **sigsaueracademy.com**

FACILITIES

The SIG SAUER Academy[SM] offers 140 acres of state-of-the-art indoor and outdoor training facilities. We have developed a variety of ranges and infrastructure allowing us to create almost any type of environment and to prepare for practically any situation. Facilities include:

- 26 Different Live Fire Ranges
- 1,000 Yard Rifle Range
- 2 Live Fire Shoothouses
- Indoor Pistol and Rifle Ranges
- 270 Degree Range
- Tactical Training with Breaching Capabilities
- Obstacle Course
- Vehicle Defense Range

Additionally, the SIG SAUER Academy is home to the **factory-direct SIG SAUER Pro Shop**, displaying the entire line of SIG SAUER pistols, rifles, electro-optics, suppressors, ammunition, air guns, accessories, and apparel.

PRIVATE AND MOBILE TRAINING

The SIG SAUER Academy is dedicated to providing the highest level of training available, tailored to fit any individual or organized group needs. We provide customized private classes at our Academy, or we can take our expert training to a private location upon request.

Private classes for corporate and executive clients, as well as government agencies and private groups, or individuals, are available either as a standard course listed on our website or as a custom class designed to your specific needs. Private instruction ranges from foundational shooting tutorials to advanced dynamic tactics in a one-on-one or group learning environment.

INTERNATIONAL CUSTOMERS

The SIG SAUER Academy has a diverse staff of expert, bilingual instructors that provide the highest level of training and instruction to international civilian and military/law enforcement customers.

SIG SAUER Academy staff have consistently trained with some of the world's most elite counterterrorism units, providing expert instruction across a wide range of training needs. Our staff and facilities can provide any level of instruction needed to international clients, and can provide all of the necessary equipment and materials, including all tactical equipment and firearms no matter what manufacturer or platform is required.

ABOUT OUR COURSES

PISTOL/RIFLE/SHOTGUN/PRECISION SCOPED RIFLE

The SIG SAUER Academy has programs that are designed to achieve results across a broad range of platforms, from pistols and rifles, to shotguns and precision long-range shooting. All courses are taught from a foundational level and have a progression structure allowing students to develop their skills at their own pace. Depending on your personal training objectives, we offer classes for personal and home defense, individual skill building, and instructor certification.

ADVANCED TRAINING

Advanced training courses are designed to take a student's skills to an extremely high level. These classes help provide students the knowledge, skills, and confidence to improve their performance and decision-making in a high-risk, high-stress environment. These courses include specific subjects such as low light pistol and rifle, advanced medical training, executive protection, as well as vehicle and scenario-based training.

ARMORER

SIG SAUER is one of the many major manufacturers that offers civilian armorers courses. Our armorer's certification gives students a complete and thorough understanding of SIG SAUER firearms, proper maintenance techniques, and inspection processes. These courses are designed to provide all of the necessary information to preserve the firearms factory warranty. Students who successfully complete these courses receive a three year armorer certification.

LAW ENFORCEMENT/MILITARY

SIG SAUER Academy is dedicated to providing the highest level of global training for military and law enforcement professionals. Courses include specific subjects such as bus and vehicle assault, night vision, breaching, and direct threat care. Any course can be conducted remotely or customized to meet agency or department needs. Custom course design and implementation allow for any desired capability and duration of training. The SIG SAUER Academy also has physical fitness facilities available to visiting groups at no charge.

TRAINING

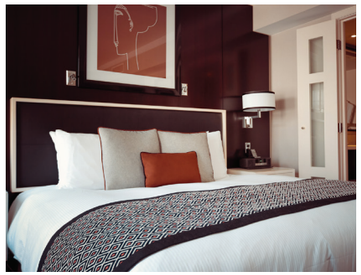

SIG SAUER ACADEMY

MORE THAN TRAINING. A DESTINATION. SIG SAUER ACADEMY℠ is located in the Seacoast region of New Hampshire, just an hour north of Boston, and an hour south of Portland, Maine. New Hampshire is home to 18 miles of New England coastline and beaches, and is situated approximately an hour away from several top- rated ski resorts in the White Mountains. Nearby historic Portsmouth is a favorite tourist destination, featuring nationally-recognized restaurants and cuisine, outdoor sight-seeing activities, local boutiques, tax-free shopping, and a thriving nightlife. There are several major transportation hubs allowing easy access along with a wide variety of accommodations available nearby.

PRO SHOP

The SIG SAUER Academy Pro Shop is a full-service, factory-direct retail store open to the public, located on the grounds of the SIG SAUER Academy. The Pro Shop features the entire line of SIG SAUER pistols, rifles, electro-optics, suppressors, ammunition, airguns, accessories, and apparel and also has armorers services available on-site. The Pro Shop staff are highly trained and can provide expert advice on all of the latest SIG SAUER products.

ACCOMODATIONS

Through partnership with SIG SAUER®, we offer special rate arrangements with local hotels in Exeter, Dover, and Portsmouth NH, all within 10-30 minutes of the Academy.

TRANSPORTATION

The SIG SAUER Academy is about 30 minutes east of Manchester, New Hampshire Airport (MHT), and about an hour north of Boston International Airport (BOS) in Massachusetts. Some SIG SAUER partner hotels also offer students free shuttle access to and from the Academy.

EXETER

Boasting tree-lined streets and a wealth of historical architecture, Exeter is a quick 10 minutes from the Academy and hosts three of our preferred hotels. With ample restaurants, shopping and night life, this picturesque river town is a convenient place to stay while training at the Academy and is roughly 10 miles inland from the coast.

PORTSMOUTH

Venture into downtown Portsmouth, where you'll find a steady mix of modern and historic flair. From cobblestone-lined streets and historic buildings, to waterfront dining and local breweries, Portsmouth is not to be missed while here.

NOW OPEN! **EPPING, NH**

EXPERIENCE CENTER

The SIG Experience Center is home to the SIG SAUER Flagship Store, the SIG SAUER Academy Shooting Center, the SIG SAUER Museum, the exclusive members only Club 1751, along with a complete conference and events center.
